Review

Insearch: **Psychology and Religion** is one of the few enduring descriptions of Jungian therapy in its relation to religion. In four insightful chapters (The Human Encounter, The Unconscious as Experience, The Inner Morality of the Shadow, and The Inner Feminine or Anima) James Hillman gives a comprehensive account of Jungian psychology. His examples are fresh, his language easy, and the evident pleasure he takes in opening the great questions of the soul make Insearch a basic text and seminal work, an introduction to psychotherapy and a consistently quoted reference for pastoral counseling. -- Midwest Book Review

About the Author

JAMES HILLMAN's pioneering imaginative psychology will soon span five decades. It has entered cultural history, affecting lives and minds in a wide range of fields. For the creativity of his thinking, the originator of Archetypal Psychology and author of *A TERRIBLE LOVE OF WAR*, *THE SOUL'S CODE*, and *THE FORCE OF CHARACTER* has received many honors, including the Medal of the Presidency of the Italian Republic. He has held distinguished lectureships at the Universities of Yale, Princeton, Chicago, and Syracuse, and his books have been translated into some twenty languages.
